**Oregon CZARA Settlement Agreement (Stephen Sweeney)**

By January 30, 2015, EPA committed to take final action (to approve or disapprove) Oregon's Coastal Nonpoint Control Program. Settlement agreement deadline was May of 2014. EPA requested extension to January 30, 2015. Plaintiffs agreed to forebear from reactivating litigation for as long as it believes EPA remains committed to taking final agency action by January 30, 2015.
